Dear Mr. Shumway:

RE: Utah State Metalliferous Minerals Lease ML 29631

I recently made a visit to the above numbered mineral lease. From my observation, it appears you are no longer using surface facilities located on the leasehold. If this is the case, please submit an update of your Plan of Operation outlining your plans for the lease in the immediate future and your reclamation plans for the mine site.

Thank you for your cooperation in this matter.

Sincerely,

JERRY W. MANSFIELD
